Restaurant Booking Project

We have to create these tables:-

1. Restaurant Info

- Restaurant Name
- Phone Number
- Address
- Pincode
- Tagline

2. Menu Categories

- Category Number. (Primary Key)
- Name
- Comment

3. Menu Item

- Item number (primary key)
- Category number (foreign key)
- Item name
- Price
- Packing

4. Table

- Table Number
- Seats
- Comments

5. Booking

- Booking Number (primary key)
- Table number (foreign key)
- Booking Time
- Booking End Time

6. Booking_Items

- Item Number (primary Key)
- Booking Number_Item Number
